# Did you know that...

° 97% of water on earth is in the ocean, only 3% of water on earth is drinkable.

° Flow restriction on showerheads and taps can reduce our water consumption by 50% without compromising comfort.

° Participating in towel and bed linen reuse programmes helps decrease water and chemical use considerably.

° Choosing Green Key accommodation reduces your environmental footprint without compromising comfort and quality.

Green Key is a programme of the Foundation for Environmental Education, also running Blue Flag, Eco-Schools, Young Reporters for the Environment and Learning about Forests.
