Green Key aims to:

- Raise awareness of the staff and clients of leisure establishments
- Increase sustainability in operations and use of technology
- Run environmentally sound and responsible businesses
- Reduce energy
- Reduce resources

Green Key is a non-government, non-profit, independent programme. It is recognised and supported by the World Tourism Organization and UNEP.

Green Key is currently the largest global eco-label for accommodation and has a national organisation in charge of the administration in each participating country.

Green Key has international agreements with Rezidor Group (Radisson Blu, Park Inn Hotels) and Starwood (Le Méridien, Sheraton Hotels).

- Portugal
- Puerto Rico
- Qatar
- Romania
- Russia
- Saudi Arabia
- Spain
- Sweden
- Switzerland
- Tunisia
- Turkey
- Ukraine
- United Arab Emirates

Green Key is supported by ECOVER.
Did you know that...

° 97% of water on earth is in the ocean, only 3% of water on earth is drinkable.

° Flow restriction on showerheads and taps can reduce our water consumption by 50% without compromising comfort.

° Participating in towel and bed linen reuse programmes helps decrease water and chemical use considerably.

° Choosing Green Key accommodation reduces your environmental footprint without compromising comfort and quality.

Green Key is an eco-label awarded to over 2300 establishments in more than 40 countries worldwide.
